

He said, "It was real nice meeting you!, Now what was your name?"
I said, "Oh, I'm Bobbie Jo!" He said, "That's nice, my wife's name is
Bobbie!" I said, "Tom, I am your wife, I am your Bobbie!" And he
just hugged me.

So Richard, what you are doing makes a tremendous difference
in my life and I thank you from the bottom of my heart.

Have a blessed day!
